In 1873 a nun in France began to be visited by a soul from purgatory. Under obedience she kept a detailed account of what the soul from purgatory told her.

Steve Patton will review the nun's manuscript and help you better understand:

- ◆ What the Catholic Church teaches about purgatory
- ◆ Why we should be grateful purgatory is there, but also strive to avoid it
- ◆ Why we should pray for the souls who are there
- ◆ What constitutes an authentic spiritual life
- ◆ What is the proper place for "private revelations" such as this one

Steve is the Associate Director for Family and Respect Life Ministries for the Diocese of Sacramento. A former trial lawyer, he received an M.A. in Theology from Franciscan University in 1997 and has been working full time for the Catholic Church ever since. Steve and his wife, Bridget, attend Presentation Parish with their three children.
